

SCIENCE ASSESSMENT TASK NOTIFICATION

YEAR 7 TERM 1

2020

Topic/s:	Topic 1 Science Is Magic
Due Date:	Term 1, various dates throughout the term. Submission for Term 1 tasks closes Wednesday Week 11.
Time:	Before 3:15pm

Outcomes to be Assessed:

SC4-4WS identifies questions and problems that can be tested or researched and makes predictions and based on scientific knowledge

SC4-5WS collaboratively and individually produces a plan to investigate questions and problems

SC4-6WS follows a sequence of instructions to safely undertake a range of investigation types, collaboratively and individually

SC4-9WS presents science ideas, findings and information to a given audience using appropriate scientific language, text types and representations

SC4-10PW describes the action of unbalanced forces in everyday situations

Task Details:

- During the term You will have 5 opportunities in class to show your teachers what you can do in Science. These are called evidence opportunities.
- You will be instructed to perform a task/tasks that will show your understanding/ skills and knowledge.

The five tasks include:

1. Safety Poster
2. Lighting a Bunsen burner safely
3. Hypothesis development
4. Construction of a line graph
5. Science is magic topic test

Instructions for each evidence opportunity can be found on the relevant STILE page in the Year 7 Common classroom.

All tasks will be submitted to STILE, in the timetabled period that the task was sat. All tasks must be completed before the date stated above.
